"When myself and Erica first thought of launching PTUSA we could never have dreamed what it would mean for us, our family and our community. We are so proud of what has been and really exciting for what is to come.

Thank you to so many people for helping us create something that fills us with a huge sense of pride"

## NEW SOCCER ACADEMY IN CANTON!

A brand new program brought to you by Paul, in conjunction with Canton HS, Athletics Director, Danny Erickson and Easton YS, Director of Coaching, John Barata. In two very short weeks we have started training over 70 young players and look forward to some exciting developments around the Blue Hills area.

Working in conjunction with Canton Youth soccer, this program is aimed to ensure talent is being nurtured for town soccer, future high school teams, and a possible brand new club.

The first weekend of the 8 week program was 01/14/12, but we are still inviting new talented players along.

## WINTER UPDATE

Making a difference in kids' lives

### 2012 UK STAFF RECRUITED

Back in the later stages of 2011, founder and owner of PTUSA Paul Turner made the annual trip across the pond to his native United Kingdom to start the search for the 2012 staff.

This proved to be a successful trip as he has managed again to acquire yet another set of talented coaches for you all to meet this coming spring. Along with Ryan Colleton, who is returning from last year, another 6 staff members from various parts of the UK are set to coach spring, summer and fall with a further 12 coming for the sunny weather in June. Tom Greeanaway has joined Shaun McBrien as a permanent member of staff and will be helping Paul create more memorable summer camp experiences for players throughout the region.

Team of 2011

Coinciding with the arriving coaches PTUSA are set to launch an amazing new updated curriculum for 2012. These sessions will not only be used to better the technical development of players, but a coach education for incoming coaches and also participants in the coaches club which again will be launched in the Spring of 2012.

### SUMMER PROGRAMS OPENING

Registration for summer programs officially opens FEBRUARY 1<sup>st</sup>. From this date you can register players for any of our summer camp venues, premier camps, advanced summer series, high school prep camps or the newly reformed little kickers program.

This year PTUSA has reformed the way we run our little kickers at camp. Instead of the draining 3 hour option, we now offer a choice of two 1.5 hour options. This change will energize the sessions allowing the players to achieve more goals and this ensures maximum fun.

Early bird prices for the all residential camps are available February 1<sup>st</sup> through to March 1<sup>st</sup>. Don't miss out on the reduced prices for the popular Cape Cod Sea Camps, Wingate Kirkland and the brand new addition to the schedule this summer Nichols Camp.
